## **Model 707**

Countertop  
Frozen Beverage Machine

The **SaniServ** Model 707 Frozen Beverage Machine is a customer favorite! Its sleek single barrel profile has the ability to offer many types of slush beverages! Choose from frozen margaritas and daiquiris to frozen fruit flavor drinks such as frozen lemonade and fruit smoothies. The 707 is a must have for the customer looking for an affordable way to offer all of their favorite beverages frozen!

### **Space Saving plus Consistent**

**Small Footprint Design** - Save valuable floor space and turn the bar or countertop into a real profit center. By offering the finest quality of frozen drinks each time, every frozen beverage is consistent from the first to the last!

### **Easy Cleaning and Operation**

**Fewer Parts = Simplified Cleaning** – **SaniServ** equipment is designed and built with the fewer parts to be disassembled, cleaned and sanitized than any other machine in the industry.

### **High Return on Investment**

**Increased Profits** – **SaniServ** machines combine affordable efficiency with consistent product quality and fast quiet operation to insure customer satisfaction with high profit frozen beverages.

### **Quality Design**

**Durability** – **SaniServ** machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
